ORDER:

In the reference 1st read above, National Smart Grid Mission (NSGM) has been established by Government of India to plan and monitor implementation of policies and program related to Smart Grid in the country. NSGM will be housed under Ministry of Power considering the fact that most of the prominent state holders (DISCOMs Regulators, Electrical Manufactures, Central Electricity Authority etc.) for Smart Grid are associated with MoP, other concerned Ministries like Ministry of New and Renewable Energy (MNRE), Ministry of Urban Development (MOUB) and Ministry of Heavy Industry (MoHI) would also be associated with the Mission. Smart Gird is a dynamic and evolving concept due to constant technological innovation. Therefore the objectives structure and functioning of NSGM must be such as to allow sufficient freedom and flexibility of operations without needing to refer the matter to different Ministries / Agencies frequently.

2) In order to support the Smart Grid initiatives at the state level, the above referenced OM envisages creation of State Level Mission chaired by Power Secretary of State as well as creation of State Level Project Management Units (SLPMU).

3) Under NSGM (National Smart Grid Mission) of Ministry of Power, each state will have to have a **State level Mission** by creating State level Project management unit for monitoring Smart Grid Projects.

4) After careful consideration of the above, Government of Andhra Pradesh have constituted the State Level Project Management Unit for Monitoring smart grid Projects with the following members and the State Level Mission will meet quarterly and monitor the same.

1) The Secretary, Energy Department as Chairman
2) The Secretary, Finance Department.
3) The Member Technical of APERC
4) The Chairman & Managing Director, APTRANSCO, Vijayawada.
5) The Chairman & Managing Director, APSPDCL, Tirupati.
6) The Chairman & Managing Director, APEPDCL, Visakhapatnam.
7) Representatives from NPMU (National Smart Grid Mission Project Management Unit)
8) The Directors (State Level Mission) as Member Secretary.
9) The Director from reputed academic institutions like IIT, IIM(Optional)
10) The Heads of prominent NGO's (Optional).

P.T.O

5) The objectives of the above Committee are as follows:

1) Project review and Monitoring.
2) Funding.
3) Coordination.
4) Training and capacity Building.
5) Consumer engagement and awareness.

6) The National Smart Grid Mission (NSGM) will provide support for training and capacity building to State Level Project Monitoring Units (SLPMUs) for smart grid activities while NSGM will not support any expenditure towards new posts, created if any by the states for smart grid activities.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
